The Contenders...

On the 2/8 **THE STRIP**, having his first career start, ran on very nicely to run **3rd** over 1200m. On the 9/8 **ZORBA'S TALE** ran a gutsy **2nd** going down by just 1/2 a length! **FOLLOW YOUR DREAM**, coming from off the pace in her 1160m event, ran on nicely to run a good **2nd**. On the 12/8 **NAPOLEON STREET** ran a fair **4th** over 1600m. On the 12/8 **DESTINY'S LADY**, having her second start, ran on strongly over 1200m to run a good **5th**. On the 20/8 **FOLLOW YOUR DREAM**, in the sand over 1600m, ran a fair **5th**. On the 22/8 **ZORBA'S TALE** ran another honest race to run a good **2nd** and continues to pay his way. On the 29/08 **DAZZLING DAN**, over 1450m in the sand, got baulked at the 400m mark, but ran on very strongly to go down by a neck - to run a very unlucky **2nd**. **LUNAR BOUND**, in the sand over 1000m, ran a very gutsy race against the boys, to run a good **3rd** - let's hope she finds the winners box soon.
