Bred by: La Florida Synd.
Ridden By: Donovan Mansour

BERNABUE - making his comeback from a long layoff after a tendon injury - surprised us all, notching up his 6th Career WIN when running on strongly over the 1200m trip, to win going away! What a game old man! *Best of Luck to Joe Gomes, Pippa Carvalho & the La Florida Syndicate.*

ZORBA'S TALE

13/6/2010 : 1160m Turf fontein
Australian Bred
Ridden By: Donovan Mansour

ZORBA'S TALE - having his first run back since having the "Llewelyn Throat Procedure", was always travelling well, and when he took charge he went on to win in style, making him a 4x Winner now!
Best of Luck to Jess Kyriacou.

NAZRAN

NAZRAN enjoyed the extra trip of 1800m and was always travelling well. He took charge in the last 100ms to run away by 5.25 lengths with a great win ! *Best of Luck to Dr WA & Mrs N Jacobs of Maine Chance Farms.*

New Kids on the Block

Dreamworld Syndicate purchased a beautiful *Miesque's Approval* filly, **MIESQUES FAVORITE**, at the *2010 Natal Yearling Sales*. She has gone to Balmoral Stud in Natal till the spring.

Michael Leaf, purchased a very handsome *Mubtafal* Colt, **GLITTER STAR**, from the *2010 Natal Yearling Sales*. He has also gone to Balmoral Stud in Natal till the spring.

FULL THRUST, a stunning daughter of *Deep Sleep* was bought from the *2010 Natal Yearling Sales* by Nicola & Mark Coppez of Balmoral Stud & Lucky.

MARIUS, our very good looking, but naughty son of *Caesour*, has come in from the farm for partners Commodore Racing CC, Walter Muhl, Dean Bayley and Marius & Amanda Sardinha.

Colin Bird's lovely filly, **RATCLIFFE ROSIE**, has returned to us after a long break.

The Contenders...

On the 1/6 **DUTY TO WIN** ran on nicely over 1200m to run **4th**. On the 3/6 **DANCE OF THE SPIRITS**, found her feet late to run on strongly for a good **3rd**, just 1/2 length off. **COSMIC DREAM** ran on very strongly to run a great **2nd**, just in front of her stable mate. **ALERT THE MEDIA** was caught in all sorts of traffic problems, never getting a chance to run his race, running an unlucky **5th** over 1700m. On the 6/6 **DESTINY'S LADY**, ran on strongly to run a cracking **2nd**, only beaten a short head by a 7x winner! On the 13/6 **ALAMEIN**, drawn badly, came from last with a fast finishing challenge to run **2nd**, going down by just a neck! On the 22/2 **ALOUETTE**, over the 1400m trip and fitted with blinkers, ran on strongly to run a great **2nd**, by 1 length. **NATIONAL LANE**, having her first run back since a break, ran on strongly from a long way back to run a very fast finishing **2nd** to go down by a nose over the 1700m trip. **ASK JACKIE**, having just his 2nd career start, ran on nicely for **4th**. **GUARDING HARRY**, ever faithful, ran another honest **4th** over 1200m & continues to earn. On the 25/6 **LOOK FOR LIGHT** ran a fair **5th** at Turffontein. On 27/6 **BEETLE BAILEY**, going over 1800m, stayed on nicely to run an improved **5th**. **DESTINY'S LADY**, over the 1800m trip, stayed on well and challenged strongly in the latter stages to go down for a very close **2nd**! On the 28/6 **ZORBA'S TALE**, over the 1400m at Vaal, ran another honest race, running **3rd**. **BERNABUE**, baulked the whole way up the straight for a run, only got going a gap, after the 50m mark, to run a very fast flying unlucky **4th**!
