## The Contenders...

Racing at Turffontein on 3/07 **ASK JACKIE** hung on to find the **4th** place box over 1450. On 9/07 **SABRINA'S BABY**, the ever consistent lass runs a fair **4th** over 1600m. At the Vaal on 12/07, **ARCTIC BEAR (SNL)** had her first start on the sand, hating the kick back she dropped right out of the race, only to fly up late on the outside to run a creditable **5th**. **RUBY ROCKS** ran a very promising **4th** over 1000m, her first attempt on the sand. On 19/07 **SABRINA'S BABY** continues to try and earns herself another **3rd** stake over 1400m. Racing back over 1200m, **ASK JACKIE** runs another fair race to finish **4th** and continues to keep her account ticking over. At the Vaal on 26/07, **NAZRAN (SNL)** ran a fair **4th** over 1600m and continues to pay his way. After having problems in the starting stalls early in her career, **EXPRESS VIEW** has bounced back with a very good **5th** on 28/07 over 1200m - many thanks to Michael Shaw for assisting with her pens schooling! Racing at Turffontein on 30/07, **SOLAR VOYAGER** our faithful old girl never lets up down, running another great race to run a fast finishing **4th** against the boys over 1000m. Maybe she has 1 more in the tank before she retires to stud
