The Contenders...

On the 11/3 **NATIONAL LANE**, over 1400m, ran on too late to go down by a mere nose, for another good **2nd**. On the 13/3 **ZORBA'S TALE**, in the Listed **Drumstar H'Cap**, stayed on late to run a cracking **2nd** over 1800m. On the 16/3 **DUTY TO WIN** ran on strongly to run a good **3rd**. On the 22/3 **MANDULO**, over the 2200m trip, settled nicely & stayed on to run a good **3rd**. On the 23/3 **LOOK FOR LIGHT & DESTINY'S LADY**, both ran nice races to run **5th** respectively, and continue to earn! On the 25/3 **DUTY TO WIN** ran a fair effort **4th**. **JET DOT COM**, having just his 2nd career start & going over the 1400m trip, ran on very strongly to run a good **5th**. On the 27/3 **ALERT THE MEDIA**, blinkers on for the first time, ran a much improved **3rd** over 1600m. He followed this up with another good effort **3rd** on the 3/4. **ZORBA'S TALE**, in the **Gr.3 Colorado King Stakes**, found the pace too slow and only got going at the death, to run a fair **4th**. On the 5/4 **ALAMEIN** ran **4th** and should go one better next time out. **CASEY'S GUEST** ran a much improved **2nd**, just going down by 1/2 length in his 1600m event. On the 8/4 **HE'S A GIGILO** stayed on well over the 1800m trip to run a greatly improved **5th**. On the 15/4 our first 2 year old runner, **ALOUETTE**, had her first career start. She is a lovely filly by *Spectrum*. She jumped slow, was very green in the running, but ran on strongly in the final stages to run a promising **3rd**. On the 17/4 **ALERT THE MEDIA**, going over the 2200m trip, stayed on for a fair **3rd**. **OUMALAPAS**, having her first run back after 3 months, ran a fair **5th** over 1450m. On the 22/4 **CLEMO** ran on nicely over the 1400m trip to run a much improved **3rd**. **POLISH LADY** (2yo filly by *Right Approach*), having her first career start, also raced green, but ran on nicely for **4th**.
