Joe & Elsie Panoias and Frank & Elsabe Soru purchased a lovely *Spectrum* filly **GODDESS ATHENA** from the *2010 National Yearling Sales*. She has gone to Sue Bingham's Fairway Farm until she is ready to come in.

KITTIEFIE, a stunning daughter of *Black Minnaloushe* was bought from the *2010 National Yearling Sales* by Colin Bird! She has gone to Sharon Patterson's Bayshore Barn till the spring.

Mrs Irene Klipp & Olaf Reith have recently sent us **BLITZ** from Natal, to have a go on the Vaal Sand track.

The Contenders...

On the 1/5 **CASEY'S GUEST**, over 1600m, ran in heavy going under a "handicapping sufferance" and stayed on to run **5th**. On the 2/5 **ZORBA'S TALE**, going over the 2200m trip in very heavy going, ran a fair **5th**. On the 6/5 **DERBAAS(SNL)**, a small 2yo HAAFHD Colt having his first run, ran on to run a very gutsy **3rd** over 1000m. On 8/5 **POLISH LADY**, having just her 2nd career start, ran a much improved race over 1450m to run a good **2nd**, just finding one better on the day! **ALERT THE MEDIA**, continues to run in the minor money with another fair **5th** over 1800m. On the 18/5 **CLEMO**, fitted with blinkers for the first time, ran an improved **5th** over the 1450m trip on the Vaal Sand. **FEARLESS GUN** ran a much improved race over 1450m, running on for **5th** and looks to be returning to form. On the 20/5 **ALERT THE MEDIA**, back down to the 1400m trip, ran **5th**. **ALOUETTE**, having her 2nd career start, ran a green **5th** over the 1200m trip. **DANCE OF THE SPIRITS**, coming from last, ran on strongly to run a very good **2nd** over the 1200m trip. On the 25/5 **FEARLESS GUN**, over 1600m in the sand, ran a cracker, running on late through the traffic to go down for an unlucky **2nd** by a mere nose! On the 27/5 **LIFE IN LIGHT**, a lovely VAR Filly having her first run, ran on to run a very green **4th** over 1000m. On 30/5 **POLISH LADY** was left with far too much to do - running on late to run a good **4th**. **ALAMEIN** ran on strongly through the traffic to run a fast finishing **2nd**, going down by just 0.75 lengths! .
