24/11/09 : 1000m Vaal Sand

Bred by: CJ Saunders Ridden By: Robbie Hill

In her first go on the sand over 1200m, this filly skipped clear of the field **Winning** her maiden in fine style by 4.5 lengths. *Best of Luck to Dean Bayley & Walter Mubl, & friend Johnny*. This win broke the drought for Dean & gave Walter his first winner ever! Well Done!

The Contenders...

On the 1/10 **NAPOLEON STREET**, over 1200m, ran a very short-head **3rd** - oh so close - his day has to come soon!
On the 3/10 **SOUL SISTER**, having just her 2nd start, ran a green **5th** - this run will bring her along! **SULTAN OF SONG** ran a good effort **5th** over 1800m. On the 8/10 **NATIONAL LANE**, having her 2nd run, raced green, staying on for **4th**. **FOLLOW YOUR DREAM**, racing slightly more handy, kept on to run a good **2nd** - just couldn't get there!
On the 9/10 we raided Greyville night meeting with 2 of our kids. In heavy going & under the falling rain, **ZORBA'S TALE** ran a very gallant race to run a great **3rd** in the **Michaelmas Handicap (L)** & **MEMORY** ran a cracking **2nd**.
On the 15/10 **SULTAN OF SONG** ran a very gutsy **2nd** over 1400m. On the 22/10 **DANCEOFTHESPIRITS**, in a very strong fillies race, ran on strongly to just go down for **3rd**. Keep an eye on this lass! On the 31/10 **MANDULO** ran a good **4th**. On the 3/11 **RATCLIFFE ROSIE**, over the 1200m trip, ran on strongly to run a good **4th**. **COUNTER TENOR** ran a fair **5th** over the 1600m trip. On the 5/11 **DESTINY'S LADY** ran on nicely in her 1000m event to run a good **3rd**. On the 7/11 **MEMORY** continues to pay her way with another fair **3rd**. On the 10/11 **ZORBA'S TALE** ran on in the final stages to run another good effort **3rd** over 1600m. On the 12/11 **NATIONAL LANE** ran on strongly over 1400m to run a promising **2nd**. On the 17/11 **BEETLE BAILEY** stayed on well over the 1400m trip to run a fair **5th** & is probably looking for further. **MANDULO**, going over 1800m, stayed on well to run a good **2nd** & is improving all the time. **SULTAN OF SONG** continues to earn, running a fair **4th** in his 1400m event. On the 19/11 **OUMALAPAS**, in quite a competitive field, showed a bit of cheek to run a good **4th**. On the 22/11 **BISMARCK** ran a fair **4th** in the soft going over 1000m. On the 24/11 **NATIONAL LANE**, on the sand for the first time, ran a fair **3rd** over 1200m.
