Winning her maiden in fine style at the beginning of the month, she showed her class, when charging late to **WIN** the **Fillies Feature** on **Emerald Cup Day** on 26th September. *Best of Luck to Graham Clarke, Anthony Reddy, Keith Waterston, Philip Bailey & Peter Van Jaarsveld.*

The Contenders...

On the 5/9 **SOLAR VOYAGER**, over the 1000m turf trip with 59.5kgs on her back, ran a very courageous race, running on strongly to run a good **2nd**. **FOLLOW YOUR DREAM**, coming from off the pace in her 1000m event, flew late to run a good **3rd**. **BERNABEU**, finding plenty of interference in his running, ran on to run an unlucky **5th**. **KICKSTART** ran on strongly in the final stages to run another good **2nd**. On the 10th September **LOOK FOR LIGHT**, having her first career start, ran on strongly over 1200m to run a promising dead-heat **4th**. **OUMALAPAS**, also having her first career start, showed a bit of cheek to run **5th** & will come on from this run. **SOUL SISTER**, another first-timer, ran on strongly in her 1200m event to run a good **3rd**. **MEMORY**, up the Vaal straight over 1400m, ran a very good **3rd**. On the 12/9 **SULTAN OF SONG**, in a strong paced race, stayed on well over the 1800m trip, to run a good **4th**. On the 19/9 **AZARIUS** stayed the 2600m trip to run on for a very good **2nd**. **KICKSTART**, in a very competitive field, continues to hold his solid form with another good effort **3rd**. On the 26/9 **FEARLESS GUN**, over the shorter trip of 1450m, flew late in the sand to run a great **2nd** in the **Gr.2 Emerald Cup**, another honest race & he nearly got the big one!
